Strike of Printers Leads to Engraved Scores, Editorials and News Matter.

BOSTON, June 15.—Although the walkout of compositors from several local newspaper offices developed an impromptu strike organization to-day it had no further effect on the publication of papers. Editions of both morning and evening papers have been approximately on time since the start of the disturbance Monday night. Eight pages, by agreement, have constituted the size of those papers affected by the walkouts.

A new factor appeared to-day in the use in some papers of photographic reproduction of typewritten copy. Baseball box scores, editorials, feature matter and occasional stories were presented in this form.

The compositors who walked out declared they would not return to work until they received a wage increase in line with recent requests. The publishers have announced that an arbitration board duly authorized returned an award that no advance was justified at this time.

# SCHOOL GIRL OF 14 MISSING AT BAYSIDE

Winifred Farrell Stood High in Class and Disappearance Is Mystery.

Winifred Farrell, fourteen, daughter of J. Henry Farrell of Fifth Street, Bayside, is missing and a general alarm has been sent out for her. She was a member of the graduating class of Public School No. 31, Bayside. She did not report yesterday afternoon, and when she did not come home in the evening her parents became alarmed.

"She was entirely too young to have had any romance," Mr. Farrell declared.

Miss Mildred Johnson, the girl's teacher, said her record was excellent and that she is at a loss to explain her disappearance.

# MEYER ORDERS CURLEY TO GET OUT

And Out He Goes From Headquarters of City Investigating Committee.

Assistant Corporation Counsel Curley was to-day requested to leave the headquarters of the Meyer Legislative Committee, No. 38 Park Row. The request was made by Sergeant-at-Arms Harry W. Haines, who was acting under orders from Senator Schuyler M. Meyer, who is Chairman of the committee. Curley withdrew at once. The presence of a member of the State Constabulary at the time Curley was asked to leave was commented upon. A member of the committee explained that State troopers have been assigned to the committee headquarters for the purpose of guarding records.

Senator Meyer had written a letter to Corporation Counsel O'Brien complaining that an Assistant Corporation Counsel, meaning Curley, was "loafing" around the headquarters of the legislative investigators and asking that he be called off.

Curley explained that he was the representative of the Law Department at the probe.

Mrs. Anderson Fails to Appear in Magistrate's Court.

Magistrate McGeehan in Washington Heights Court to-day forfeited the \$1,000 bond of Mrs. Florence Anderson when she failed to appear in answer to a charge of "keeping and maintaining a gambling house" when she and thirteen other women were arrested yesterday in a raid at No. 310 West 121st Street.

The other women, who pleaded that it would ruin them socially if they were arrested, were taken in a patrol wagon by four detectives who captured them after a spirited chase through basement windows and over a back fence. They were discharged by Magistrate Tobias in Night Court. Mrs. Anderson's case was transferred to Washington Heights Court and she furnished the \$1,000, but failed to appear.

Miss Ginsburg Gets Verdict Against Parents of Her Fiance.

It took a jury before Justice Davis but ten minutes to-day to decide that Miss Ginsburg, No. 1007 Madison Avenue, was entitled to \$10,000 damages when Max Kleiner and his wife Fannie, com-

mitted their son, William, to go to Atlanta, Ga., two days before he was to marry Miss Ginsburg. Miss Ginsburg sued the father and mother of her fiance for \$20,000.

At the trial Miss Ginsburg produced a clipping announcing the date of the marriage, a gold wedding ring, inscribed with the initials of both and 1,000 letters written by William to her after he had gone South.
